Dear Parents:

The Texas Education Agency requires that all schools make available to all households the final and preliminary performance reports - referred to as School Report Cards, Texas Academic Performance Reports, and Performance Framework Reports.

Chapel Hill Academy complies with this requirement by providing these reports on our website www.chapelhillacademy.org, a School Messenger call-out when they become available, and copies are available at the campus office.

If you have any questions please contact Audrey Alloway at 817-289-0242 or adavidson@lenapope.org
